Factory Service Training Schedule for 2011

Laundrylux is pleased to announce the factory service training schedule for the year 2011. Knowledge of how to service Wascomat® and Electrolux® Professional Laundry equipment increases service personnel's efficiency, productivity and profits and inspires customer confidence in your company. Laundrylux offers two levels of service seminars, providing the latest hands-on training in preventive maintenance service techniques and troubleshooting procedures on Wascomat® and Electrolux® Professional washers and dryers. Attendees will also have the opportunity to meet Laundrylux service and sales personnel.

LEVEL I SERVICE SEMINAR

This seminar covers the basics of servicing and maintaining Wascomat® and Electrolux® Professional washers and dryers. It is designed for the storeowner, OPL laundry room operator and/or the in-house serviceman. Attendees will learn how to perform day-to-day preventive maintenance and troubleshooting. Seminar begins at 8:30 am and ends at approximately 1:00 pm.

LEVEL II SERVICE SEMINAR

This advanced seminar covers in-depth service procedures on Wascomat® and Electrolux® Professional washers and dryers. Prerequisites to attend this school are the ability to read a wiring diagram, proficiency in the use of test instruments such as an Ohmmeter, and experience in servicing laundry machines. Seminar begins at 8:30 am and ends at approximately 3:00 pm.
